EDUCATION

Massachusetts College of Art and Design

Bachelor of Fine Arts in Fashion Design

Boston, MA

May 2021

EXPERIENCE

St. John's Preparatory School - Summer at St. John's

Arts & Crafts Program Provider

Danvers, MA

2025-Present

- Instructs various engaging and skill-building visual arts projects as part of the camp's arts and crafts programming for campers between the ages of 7 and 14.
- Adapts expectations and instructions to support campers learning needs on an age appropriate and skill-level basis.
- Manages group behaviors and transitions effectively in addition to encouraging creativity through artistic exploration.
- Works with counselors and leadership staff to support and include art in camp-wide events.

Danvers Public Schools

Instructional Assistant

Danvers, MA

2025- Present

- Provides support to the entire class, classroom teacher, or to students in 1:1, 1:2, or other designated ratio depending on the nature of the students' abilities and learning needs. Including pre-teaching and re-teaching as outlined in students' IEP, the group plan of the class, and other accommodations.
- Support students during specialist subjects such as music, physical education, library, and/or technology, as needed.
- Implementing behavioral/social support within the classroom, and collecting data related to academic functioning and/or social student performance that supports instruction
- Reinforcing instructional practices developed by related service providers, i.e. Speech therapist, OT, PT, psychologist, etc.
- Share relevant information about students with teachers and other school personnel as needed to facilitate problem solving, decision making, and program planning.

Boston Conservatory at Berklee
